SUMMARY

Software developer with 3+ years of hands on experience in the tech industry. Skilled in building scalable android applications, designing and developing core features and performance optimization.

EXPERIENCE

Senior Software Engineer
InfoEdge India Ltd. (Naukri.com)

📅 Apr 2021 – Present

Naukri India & Naukri Gulf jobseeker apps are market leaders in job search space in India and middle-eastern gulf region respectively. As a part of the tech team, I am involved in the **android app development**.

Key Contribution:
- **Led the revamp of invites bottom navigation tab** in Naukri India app to enhance the user experience.
- Explored and integrated **Jetpack Compose** in Naukri India app.
- Contributed majorly in developing the **Naukri Gulf android app from scratch as a part of product revamp** to adapt to latest technology standards. New UI as per latest design standards, **Kotlin** based code, **MVP to clean MVVM** architecture, integrating new microservice based apis reducing data fetch latecy and improving user experience significantly which upon release has **maintained crash free percentage of 99.8%**.
- Designed and developed the approach for smart "Quick update profile" flow in Naukri Gulf app which contributes to the largest chunk of user profile updates.
- Built **support for dark mode and RTL** for arabic language in Naukri Gulf.
- **Took ownership of delivering** company branding project integrating youtube sdk, Naukri's inhouse widget sdk.

Software Engineer
InfoEdge India Ltd. (Naukri.com)

📅 Jun 2020 – Apr 2021

Key Contribution:
- Explored & developed **HTML based data extraction from resumes using Python** which improved the parser's **accuracy by 15**%.
- Developed java apis using spring boot frame work for web-annotation tool used for manually creation of training data set for models.
- Developed & optimised back end apis, database crons and was involved in technical groomings for Naukri's RMS product.

R&D Intern
IIT Bombay

📅 May 2019 – Jul 2019

Worked as an intern, under the esteemed guidance of **Prof. S Sudarshan and Prof. D.B. Pathak** from CSE Dept., IIT Bombay.

EDUCATION

- BTech. Computer Science & Engg **Gold Medalist**
  NIT Patna
  📅 2016–2020   CGPA: 9.4 /10
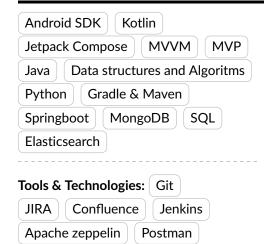

- Sr. Secondary School
  DAV Public School BBSR
